MEMORANDUM FOR: Legislative Counsel

SUBJECT:

S. 3287, A Bill to Authorize the Training of Federal Employees at Public or Private Facilities, and for Other Purposes

- 1. Subject bill proposes to authorize the heads of the various Federal agencies to obtain related training for their employees in other agencies or non-Federal facilities.
- 2. Considering S. 3287 from the point of view of the Federal Career Service, as a whole, it appears to be a desirable move in the direction of elevating or improving Federal employee standards and capabilities. Insofar as this Agency is concerned, however, no formal position appears necessary inasmuch as CIA is exempt by reference in Section 2(a) of the proposed bill. As you are aware, this Agency possesses its own authority in Public Law 110, 81st Congress.
- 3. No further activity by your office is recommended insofar as this Office is concerned.

Harrison G. Reynolds
Director of Personnel

OFFICE OF GENERAL COUNSEL	I NOTE:

- 1. We do not think that this bill will have any effect on Central Intelligence Agency authorities. The inclusion of Section 3 raises the question of whether or not we need similar language in our Act in order to have a sound legal basis for detailing our employees to other agencies for training. It raises some doubt as to whether or not the language "...with domestic or foreign public or private institutions..." in Section 4 of the Central Intelligence Act is broad enough to include this type of training. Because no problem has arisen in this regard so far and because of the pressing time element in submitting our proposed legislation, it is recommended that no action be attempted on this matter at this time.
- 2. The Office of Training raises a question on the effect of the repealer in the proposed legislation. Since the Central Intelligence Agency is specifically excepted from the Bill, the repealer has no effect on our authorities.

Memorandum for: General Counsel

Subject:

S. 3287 - Training Bill

- 1. S. 3287 attached is the Administration's training bill. There is a companion bill in the House (H. R. 9510). As I analyze this bill, the exception of CIA from the term. Federal agency effectively puts us outside the coverage of this bill, which means that we retain our current authorities. If this be the case, and if I understand the background on this matter correctly, we would presumably support the passage of this bill. I would appreciate a reading from you on it however as I know that has been a somewhat complicated matter and I know the Office of Training is intensely interested in the outcome.
- 2. Just what this will do to an earlier bill (H. R. 2425) introduced by Congressman Rees is not clear, although I rather assume that S. 3287, having been jointly introduced by the Chairman and senior Republican on the Senate Committee, will prevail. You will recall that H. R. 2425 specifically re-enacted Section 4 of the CIA Act of 1949.

84TH CONGRESS 2D SESSION S. 3287

## IN THE SENATE OF THE UNITED STATES

FEBRUARY 27, 1956

Mr. Johnston of South Carolina (for himself and Mr. Carlson) introduced the following bill; which was read twice and referred to the Committee on Post Office and Civil Service

## A BILL

To authorize the training of Federal employees at public or private facilities, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 That the President of the United States may authorize the
- 4 heads of Federal agencies to obtain training at non-Federal
- 5 facilities for civilian officers and employees of their agencies,
- 6 when they find that such training will be in the interests
- 7 of the Government and not inconsistent with the interests
- 8 of national security and will contribute to the more effective
- 9 functioning of their agencies.
- 10 Sec. 2. For the purposes of this Act—

I

1	(a) The term "Federal agency" means (1) any de-
2	partment or independent establishment in the Executive
3	Branch of the Government, including any Government-
4	owned or controlled corporation subject to title I or title II
5	of the Government Corporation Control Act (but not in-
6	cluding any corporation under the supervision of the Farm
.7	Credit Administration of which corporation any member of
8	the board of directors is elected or appointed by private in-
9	terests), except the Central Intelligence Agency, the Atomic
1.0	Energy Commission, the Tennessee Valley Authority, the
11	Bureau of Medicine and Surgery of the Veterans' Adminis-
12	tration, and the Foreign Service of the State Department,
<b>1</b> 3	(2) the municipal government of the District of Columbia,
14	(3) the Library of Congress, (4) the Government Print-
<b>1</b> 5	ing Office, and (5) the General Accounting Office.
16	(b) The term "training" means the provision of oppor-
17	tunities to acquire skill or knowledge related to the work of
18	the respective Federal agencies.
19	(c) The term "non-Federal facilities" includes State
20	county, local, or foreign governments, interstate or inter-
21	national organizations, or instrumentalities thereof; institu-
22	tions of learning; laboratories; trade, labor, agricultural, or
23	scientific associations; foundations; industrial or commercial
24	argenizations or other emprenziate argenizations and

facilities, foreign or domestic.

25

- 1 (d) The term "employee" means any officer or em-
- 2 ployee of a Federal agency, as defined above, except those
- 3 subject to the Career Compensation Act of 1949, as amended.
- 4 Sec. 3. Training of employees of one Federal agency
- 5 by another; loan of training facilities among Federal agen-
- 6 cies; and training activities on a joint basis among Federal
- 7 agencies are also authorized.
- 8 SEC. 4. Appropriations or other funds available to
- 9 Federal agencies for salaries or expenses shall be available
- 10 for the purposes of this Act. Tuition, fees, and related
- 11 training expenses may be paid to the training facility or to
- 12 the trainee: Provided, That no part of any appropriation,
- 13 or of the funds available for expenditure by any corporation,
- 14 or other funds, shall be available to pay for training at any
- 15 facility that teaches or advocates the overthrow of the
- 16 Government of the United States by force and violence.
- 17 Sec. 5. Regulations issued under authority of the Presi-
- 18 dent pursuant to this Act shall set forth the obligations to
- 19 which employees who accept training in non-Federal facili-
- 20 ties shall be required to agree, and any such trainee who
- 21 fails to fulfill his obligations shall be required to reimburse
- 22 the Government whatever portion of the travel, subsistence,
- 23 tuition, fees, and related training expenses the head of the
- 24 agency concerned finds equitable.
- 25 SEC. 6. This Act shall become effective upon its

- 1 passage. After ninety days from the date of its enactment,
- 2 no training in non-Federal facilities shall be obtained for
- 3 an employee by a Federal agency except as provided by
- 4 this Act: Provided, however, That such training begun or
- 5 specifically approved by the appropriate authorizing official
- 6 prior to the enactment of this Act or within ninety days
- 7 thereafter may be completed in accordance with the au-
- 8 thorities upon which they were based, and without regard:
- 9 to the provisions of this Act.
- 10 Sec. 7. All laws or parts of laws inconsistent with the
- 11 provisions of this Act are hereby repealed to the extent of
- 12 such inconsistency, and such repeal shall include but shall
- 13 not be limited to the following laws and parts of laws:

- amended by inserting the word "and" at the beginning, im-
- 24 mediately following the number "(7)" and immediately
- 25 preceding the word "promote", striking out the word "and"

- 1 at the end following the semicolon, and changing the semi-
- 2 colon to a period.
